Northwest Federal Credit Union is committed to financial education

Northwest Federal is more than a full service financial institution. We want to help you successfully manage your money today, while helping you plan for your future. To help give you the tools you need to make tough financial decisions, we offer the following services exclusively for our members:

BALANCESM Financial Fitness Program – A money management and counseling service to help streamline finances, reduce debt and plan for and attain long-term goals.

BalanceTrack® Personal Finance Education Center – Nineteen online learning modules to help you develop essential elements of personal finance.

Online Calculators – A comprehensive set of financial planning calculators. Find out how much home you can afford, what your monthly payment will be for your next auto loan, and much more.

SavvyMoney® Checkup – Free, confidential online debt management tool that provides a personalized plan to help you analyze your debt, create a budget based on your income, improve your credit score and keep your finances in check.

Fraud Mitigation Center – Learn how to protect yourself against identity theft and fraud.

Member Solutions – A program designed for members experiencing financial difficulties. Our goal is to help you protect or rebuild your credit and, if possible, avoid foreclosure or repossession.

Youth Club Accounts – Special savings accounts for our youngest members that help them learn the basics of money management while rewarding them with higher savings rates.
